Our year in numbers
1st April 2021 to 31st March 2022

The McPin Foundation is a mental health research charity. We champion expertise from experience in research so that people’s mental health is improved in communities everywhere. We deliver high quality mental health research and evaluations. We support and help to shape the research of others, often advising on patient and public involvement strategies. We work to ensure research achieves positive change. Find out more about us at www.mcpin.org, or follow us on Twitter @mcpinfoundation

Our participants
In 2021-22, we engaged with people across England as participants in our studies or attending research events.

Our new and developing projects
In 2021-22, we were involved in developing proposals to secure funding and start new research projects.

We were involved in **58 projects** – 72% involved a LEAP or peer advisory group, 50% used peer research methods and 98% used any lived experience input.

We received **over £697,985** to deliver commissioned work, starting **17 new projects** within the year.

We collaborated with **23 universities** and **14 other partners** to deliver projects.

Our outputs
A vital part of our work is producing practical resources to inform and influence others, alongside comment pieces. We have been particularly active contributing to peer review journal articles, writing blogs and speaking at events.

- **70** Blogs on our website
- **19** Peer review outputs
- **3** Webinars
- **2** Published reports
- **13** Podcasts and videos
- **21** Online conferences/presentations
- **4** Reports for commissioners
- **5** Infographics

Our involvement panels
We continue to run Lived Experience Advisory Panels (LEAPs) for university-based research projects. These are panels made up of people with relevant expertise from experience linked to the research topic being studied.

- **20** involvement panels
- **182** people on the panels

Capacity building
**8** people over the last nine years have left the McPin Foundation to start a PhD or MSc.

**4** people have been supported to continue PhD/MSc studies whilst at the McPin Foundation.
